

roxio easy VHS to DVD

Create DVD movies from your VHS tapes and Hi8 or V8 home videos

Easily transfer video from VHS tapes or analog camcorders to DVD. Great for transferring LPs and audio tapes too!

It's a sad fact that treasured home movies shot on VHS, Hi8, and V8 tapes will degrade over time, eventually disappearing completely. Roxio® Easy VHS to DVD makes it easy to preserve irreplaceable memories by transferring them to DVD to save and share for generations.
