

roxio creator™

PLATINUM 2011

All the tools any organization needs to create, edit, back up and share their data and multimedia content.

Roxio is the leading innovator in the digital media category, setting the disc burning standard for consumers, corporations and professionals for over a decade. Year after year, Roxio Creator continues to win international awards while helping over 400 million consumers worldwide solve their everyday digital media tasks with incredible ease of use.

Easily enhance, preserve and share digital media with Roxio Creator 2011. Turn standard videos and photos into 3D masterpieces. Fix and enhance photos. Rip music from almost any source. Convert audio and video files for mobile playback. Burn, back up, copy and preserve files to CD, DVD or Blu-ray Disc. Created specifically for any organization's burning and multimedia needs, Roxio Creator 2011 is the ultimate digital media suite.

Burn Roxio delivers the industry's best and easiest tools for burning CDs, DVDs and Blu-ray Discs. The handy Roxio Burn desktop widget lets you easily drag and drop files for burning or copying right on your desktop. Backup files to disc using a robust FIPS 140-2 certified encryption module.

Copy Easily copy* data, audio, photo or video CDs, DVDs and Blu-ray Discs. Copy an entire 9 GB DVD movie onto a standard 4.7 GB DVD. Create custom DVD compilations. Convert video files for playback on a device of your choice.

3D NEW! Add the magic of 3D to your videos & photos. Enjoy 3D movies on your PC or 3D TV.**

Video Edit movies and burn DVDs like a pro—even if you're a beginner! Capture, burn and share video, even from HD camcorders. Save web video for convenient offline playback on DVD, mobile phone or iPod. New video stabilization and rotation tools make it easy to correct flaws in video. Archive AVCHD™ movies from camcorder to disc automatically.

Photo Easily enhance your photos from cameras and cell phones—and create slideshows, greeting cards, panoramas and more.

Audio No matter what kind of music you're into, Creator 2011 makes it easy to rip tunes from CDs, digitize and clean up LPs and tapes, and record Internet radio or any other music playing on your PC. Create personalized mixes and compilations for any occasion.

Share Enjoy your videos, photos and music mixes on CD, DVD, on your big screen TV, on YouTube™, Facebook® or portable devices like your iPad™, iPhone™ and more.

Learn Get to know Creator 2011 by watching it in action. Built-in video tutorials make it easy and fun to get started. Print step-by-step instructions for easy reference while you work on projects.

*Does not copy encrypted or copy-protected discs and content.

**No additional hardware required. Viewing 3D requires 3D anaglyph (red/cyan) or other 3D glasses. Glasses are not included in Roxio Creator Enterprise.
