roxio creator ™

ENTERPRISE EDITION

The award-winning tools any organization needs to create, edit, back up, protect and share their digital media
Roxio is a leading innovator in the digital media category, setting the disc burning standard for consumers, corporations and professionals for over a decade. Year after year, Roxio Creator continues to win international awards while helping over 350 million consumers worldwide solve their everyday digital media tasks with incredible ease of use.

Creator Enterprise Silver

The essential burning and backup solution for business

Don't risk losing your organization's irreplaceable data to computer failure or other disaster. Creator Enterprise Edition Silver's data disc and backup support every drive, format and media type, even Blu-ray Disc™, for easy backup, secure archival and trusted sharing.

- Complete data disc and backup capability for every drive, format and media type.
- Complements Windows® 7, Vista or XP with essential functionality such as copying discs, disc image support, and disc labeling in an easy, organized software suite.
- Uses a robust FIPS-2 certified encryption module.
- Data compression and disc spanning make backups fast and efficient.
- Complete CD-ROM and DVD-ROM tools for every individual and business.
- Burn CDs or DVDs to multiple drives simultaneously.
- Ease of use that sets the industry standard.

Creator Enterprise Gold

Complete DVD burning, playback and authoring solution for business

Specifically designed with the enterprise customer in mind, Roxio Creator Enterprise Edition Gold is the perfect CD/DVD burning, backup, photo, DVD video playback and authoring software solution. Copy discs, archive important data and author custom DVDs with full motion menus. Schedule full or partial backups, perfect for the mobile workforce.

Creator Enterprise Edition Gold includes everything in Roxio Creator Enterprise Edition Silver plus:

- Professional-looking video playback with crisp, clear audio — all within an extremely intuitive interface.
- Includes the highest quality and best-performing DVD and Interactual® Content playback possible on your PC.
- Powerful video editing software makes it easy to create professional quality movies in standard or high definition.
- Easily enhance photos and create slideshows.
- Creator's Sound Editor lets you mix multiple tracks, apply filters or effects, and convert audio files into other formats.
- Convenient media management capabilities including photo browsing, tagging, and sharing.
