roxio creator™ GOLD

ENTERPRISE EDITION

The award-winning tools any organization needs to create, edit, back up, protect and share their digital media

Roxio is a leading innovator in the digital media category, setting the disc burning standard for consumers, corporations and professionals for over a decade. Long recognized as the industry's #1 selling digital media suite, Roxio Creator continues to help over 350 million consumers worldwide complete everyday digital media tasks with incredible ease of use.

Roxio Creator Gold 8

Complete DVD burning, playback and authoring solution for business

Specifically designed with the enterprise customer in mind, Roxio Creator Gold 8 is the perfect CD/DVD burning, backup, photo, DVD video playback and authoring software solution. Copy discs, archive important data and author custom DVDs with full motion menus. Schedule full or partial backups, perfect for the mobile workforce.

Includes everything in the Silver edition:

• Complete data disc and backup capability for every drive, format and media type.
• Complements Windows® 8.x and Windows 7 with essential functionality, such as copying discs, disc image support, and disc labeling in an easy, organized software suite.
• Uses a robust FIPS 140-2 certified encryption module.
• Data compression and disc spanning make backups fast and efficient.
• Complete CD-ROM and DVD-ROM tools for every individual and business.
• Burn CDs or DVDs to multiple drives simultaneously.
• Ease of use that sets the industry standard.

Plus, these Gold-level features:

• Professional-looking video playback with crisp, clear audio — all within an extremely intuitive interface.
• Includes the highest quality and best-performing DVD playback and authoring possible on your PC.
• Easily enhance photos and create slideshows.
• Creator's Sound Editor lets you mix multiple tracks, apply filters or effects, and convert audio files into other formats.
• Convenient media management capabilities including photo browsing, tagging, and sharing.
